RE: **New Complaint Received - Civil Action 06-685 UNA**
Roy v. USA et.al.

Dear Mr. Roy:

We are in receipt of a new civil action submitted by you, to which we have assigned Civil Action Number 06-685 UNA. Please be advised that your papers did not contain either the \$350.00 filing fee, or in the alternative, an Application to Proceed Without Prepayment of Fee and Affidavit (in forma pauperis application).

If you desire to proceed in forma pauperis, an affidavit to proceed as a pauper is required. Should you decide to pay the filing fee, the fee is \$350.00, payable to Clerk, U.S. District Court. If you pay the filing fee an affidavit of poverty is not required. No later than November 30, 2006, please complete, sign and return the enclosed form to the Clerk of Court, or submit the required \$350.00 filing fee.

When your application for pauper status is received, it will be submitted to a judge for determination as to your standing to proceed in such a manner. If this status is granted, pursuant to an Order, you would then be responsible for providing sufficient copies of the Complaint and Order (one for **each** person to be served), along with USM 285 Forms (Marshal's Service forms) to effect service. Only then will the U.S. Marshal serve your complaint on the defendants.

Our Letter Dated:

Addendum Applies:

no

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(c)(3) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 501(c)(3)(i) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in any way responsible for, or was aware of, the act or failure to act, or the omission or material change on the part of the organization, required in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

In regard to Nirban (Lisa James) Roy, WCB Case #0933 9977

MEMORANDUM OF BOARD PANEL DECISION

keep for your records

Opinion By: A. Edel Groski
Jeffrey R. Sweet
Robert M. Zinck

* This decision also pertains to the following case(s): 09053942.

In an application filed January 27, 2005 the claimant, acting on her own behalf, requests review of the Worker's Compensation Law Judge ("WCLJ") decision filed January 18, 2005 wherein the WCLJ closed the matter pending submission of medical evidence of further causally related disability, and stated no further action was planned by the Board.

On appeal, the claimant asserts the WCLJ determination is unfair, violative of her due process, and contrary to prior Board decisions that had made awards.

In rebuttal, the carrier asserts that the WCLJ determination was proper and should be affirmed. Carrier further asserts that this matter also presents an underlying issue of whether the claim is even compensable, and that the materials submitted as part of the appeal further undermine the claimant's credibility with regard to this matter. Additionally, the carrier asserts that portions of the materials submitted on appeal relate to another claimant whose documentation and claims for compensation are substantially intertwined with the claimant in this matter, to the extent that the accounts of work injury and work related activity are largely corroborated only by each other.

At the hearing, the WCLJ noted that awards had previously been made through the year 2000, and that no evidence had been submitted indicating that the claimant had a causally related disability for any period subsequent to the year 2000. The WCLJ also noted that there is a WCL section 114-a issue pending in this matter, which would also need to be developed in the event the claimant did produce the necessary medical documentation.

The Board Panel finds, based upon a review of the entire record in this matter, that the determination of the WCLJ is proper, and that the claimant's offering on appeal is insufficient to warrant disturbing the WCLJ's findings.

Now is the true time in interests of common survival to learn to survive in coexistence of multi faiths and plurality of religions, and preferably The God's notions must be made democratic beyond religious faiths. The power and liability of any God of religious followings in multiple affairs can be reviewed at span of say 50 years for adjustments with changes in societal changes, attitudes of human animals, administrative changes in democratic laws and regulations, diversities of power blocs of social and religious leaders, ecology, etc etc pertaining to groups of Human animals' democratic patterns of updated live style. Gods concepts.

++++++(1)+ Jungle Democratic Virus CONTINUED: I am so harmful to human developments, but I have developed in last centuries, a special love hate relationship with the most powerful people in any Democracy and they all are my favorites, and such people favor me as well very conveniently in power controlling game. I am so wide spread beyond continents, regions and groups, that I need no cover now, I am a most killing virus named "JUNGLE DEMOCRACY". I have no cure, no vaccine until HUMAN ANIMALS are reformed and surrender to humanity. Even Gods may not help people world wide to fully reform except people try to mend their ways and conscience of their own. Powerful people abuse me by using me. We have a love hate relationship. But it is my time to retire from my infecting game to people. As I am no Mother Nature produce, I am human generated due to moral handicaps. I am immune from any chemical medication. But I am virus and I kill interests of most of the common people world wide, I am tire of Killing interest of people and real people in thousand, even in millions at times. History is ripe and manmade civilization may abuse me and may kill billions of real people around globe with a killing spree of both powerfuls and powerless without much discriminations in death as atomic bombing and nuclear weapons have no eye and ears. I start killing and continue game of destruction of human belongings including animal and vegetation assets of human ownership including Human animals live and freedom. My virus nomenclature is mostly known JUNGLE DEMOCRACY...OPPRESSIONS ETC on weaker people of civilization, aliens / foreign Nations for gain or no Gains to serve animal instinct of human animals etc, etc. I am a mobile book publication world wide, with pet name "JUNGLE DEMOCRACY". I may not have good reference from any doctor, researcher or pharmaceutical corp. But any common man may identify my presence, Human Gods, democratic devils and powerful People may hide my presence, but I am sure people like even Mr George Bush of USA know my Viral existence if he knows "BIRD FLU VIRUS", THERE IS NO WAY HE SKIPPED MY VIRAL NAME. MY PROMISE TO ALL PEOPLE AROUND Globe, "if U kill me" I won't strike You back before my death, rather I may surrender to billions of people world wide with one time blessing to the human race, : "ENJOY"
